Water Basin Notice.

The undersigned do hereby claim the water flowing in mill creek to the extent of 2900 cubic feet per second. This water is appropriated for purposes of fluming lumber cordwood and etc and for irrigation such lands as lay along the course of said flume when constructed, and which may be made susceptible to irrigation. This water to be directed by means of flume or ditch, and from the point of division a cliff of rock bears N 58° 10 to East 15 feet distant, the point of division being within meaning territory of Township 4 North Range 10 East.

Dated this 27th of Nov. 1903.
