Water Notice

Aug. 7. 1905

The undersigned parties give notice hereby that it is their intention to use and they do hereby claim the water, lying, being or flowing in Little Quail Creek at or near the point of putting this notice at the forks of the creek in N.E. 1/4 of Sec. 4, to the extent of five (5) cubic feet per second of time. Said water to be used for irrigating purposes on or near Sec. 15 T. 3 N. R. 10 E. (Skamania Co. Wa) also for fluming and power purposes near the said section. It is intended to divert said water by means of a ditch or flume extending from point of diversion to place of use on such a line as the character of the ground will permit.

Notice Water Location

Know all men by These Presents That the undersigned by virtue of the rights given him by the mining laws and Statute of the State of Washington does hereby claim the water of this stream known as Trout River and having its source in Spirit Lake (Sometimes called St. Helens Lake) The Waters hereby claimed flow almost due north into Bonanza County, and are located in a Government reserve in Skamania County, State of Washington. The amount of Water claimed hereby is in amount of about 20000 cubic feet per second of time. The purpose of this claim is to divert the waters as above described into a flume or pipe and convey said waters through a portion of said reserve to some point within 500 feet of the County line between Bonanza and Skamania Counties and within Skamania County about 2500 feet from Trout River and use same at this point for mining, milling or manufacturing purposes by electricity or otherwise. It is intended to divert the above described waters by placing in the stream at point of diversion a concrete box of suitable proportion to conduct said water into pipe or flume. The exact place as near as the undersigned can describe it is 1000 feet from the actual outlet about 1/2 mile slightly east of Mt St. Helens.
