Water Right Notice

Notice is hereby given that I, the undersigned hereby claim the water now lying, being and flowing in Whalen creek in Stevens Co. Wash. to the extent of one cubic foot per second of time. The water is appropriated as for irrigating and domestic purposes, and will be diverted by flume, ditch or pipe. The place of diversion is about where the said creek crosses the section line between sections 30 and 31, T. 3 N. R. 9 E. W. M. at which point I intend to build a dam to catch sufficient water in the dry season to have the amount of water above mentioned. Said water will be used on my land in said section of said Twp. and Range.
