- Notice from owner to remove classification;
- Sale to an ownership making land exempt from taxation
- Determination by assessor that land is no longer primarily devoted to, and used for, growing and harvesting timber;
- Determination that a higher and better use exists for the land than growing and harvesting timber.

Upon removal of this land as CLASSIFIED FOREST LAND, a compensating tax shall be imposed upon the land based upon the following formula:

True and Fair Value of Land at Time of Removal	Classified Forest Land Value at Time of Removal	MULTIPLIED BY	Last Levy Rate Extended Against Land	MULTIPLIED BY	Number of Years in Classification (Not more than 10)	EQUALS	Compensating Tax
--	---	---------------	--------------------------------------	---------------	--	--------	------------------

The compensating tax shall not be imposed if the removal resulted solely from:

- Transfer to government entity in exchange for other forest land;
- A taking or transfer to entity having power of eminent domain;
- Sale of land within two years after death of owner owning at least fifty percent (50%) interest in the land.
