Relocation Notice of Water Right

Notice is hereby given that the undersigned claim the water being in and flowing in this stream, known as the east or south fork of Lewis River to the extent of 250 cubic feet per second of time for power and other purposes, including Log Lumber or cord wood driving of the stream from this location notice near the line between Clark and Skamania County Washington in Section 24 Twp 4 North of Range 4 East in Clarke County and sec. 19 Twp 4 N Range 5 East Willamette Meridian in Skamania County Wash. That for a distance of three miles easterly on this stream from this point we intend wherever necessary and useful to construct dams and particularly on Sun Set Fall; among other purposes for power and slack water flotation including use for similar purposes of the stream entering Lewis River within this distance. The Manner and Method of doing the same to be explained by maps to be duly filed according to law. This Notice of appropriation is posted on a dead fir tree near the line described. this 27th day of Sept. 1910 on the south bank of said stream.
