Description of Land to be Classified: 205 acres in Sec 25 Twp 4 Range 9 EDM Dand Ref 46-262

Assessor's Parcel No. 4-91-000

Beginning in 1975, the county assessor is directed by FCW Chapter 187 to assess and value as CLASSIFIED FOREST LAND, all lands of 20 or more acres which are primarily devoted to, and used for, the growing and harvesting of timber.

This land has been classified as forest land as of January 1, 1975 and will continue to be associated as CLASSIFIED FOREST LAND until removal of such classification for one of the following reasons:

- (a) Notice from owner to renege classification;
- (b) Sale to an ownership making land exempt from taxation;
- (c) Determination by assessor that land is no longer primarily devoted to, and used for, growing and harvesting timber;
- (d) Determination that a higher and better use exists for the land than growing and harvesting timber.

Upon removal of this land as CLASSIFIED FOREST LAND, a compensating tax shall be imposed upon the land based upon the following formulaary procedure:

True and Fair Value of Land at Time of Removal	LESS	Classified Forest Land Value at Time of Removal	MULTIPLIED	Last Levy Rate Extended Against Land	MULTIPLIED BY	Number of Years in Classification (Not more than 10)	EQUALS	Compensating Tax
--	------	---	------------	--------------------------------------	---------------	--	--------	------------------

The excise tax shall not be imposed if the removal resulted solely from:

- (c) Sale of land within two years after death of owner owning at least fifty percent (50%) interest in the land.

IF YOU DO NOT WANT THIS LAND CLASSIFIED AS FOREST LAND, PLEASE NOTE

IF it is not your desire to have such land assessed and valued as classified forest land, you must give the assessor's office written notice thereof, on or before March 31, 1975. (See written notice below.)

If you have any questions regarding the classification of this land as forest land, please contact the county assessor's office.
