

## Notice of water right. ✓

Notice is hereby given that I hereby lay claim to and give notice of intention to appropriate and here divert all the pure wholesome spring waters - estimated at 2 cubic feet per second of time - of a certain small stream and its spring feeders situate in and passing through the SE $\frac{1}{4}$  of NE $\frac{1}{4}$  of NE quarter of sect. 34 Tp 3 N. of Range 7 E. W.M. Such appropriation to be made by means of ditches, pipes or flumes over the most feasible route to Oak Hill in the vicinity of the Town of Stevenson Wash. and for domestic uses in household, gardening and similar uses.

Co. Auditor.

## Relocation Notice ✓

Notice to Whom it May concern: The undersigned Harvey McMunn hereby gives notice that he hereby appropriates for himself his heirs and assigns, waters of the East fork of the Lewis River \_\_\_\_\_ (500) five hundred cubic feet per second \_\_\_\_\_ flows through Skamania and Clarke Counties, Washington. That the purposes for which said waters are hereby appropriated are to generate power for mining, manufacturing, Irrigation and domestic and \_\_\_\_\_ practical uses, and for the production of electrical energy for power and light for cities and towns and for supplying water to same for fire protection and domestic uses. Also to farmers and others. That said waters hereby appropriated by the undersigned are intended to be stored by means of dams across the said river wherever practical within the following distance along the said stream, extending from a place at or near the west line of sec. 19, T. 4 N. R. 5 E. W.M. where said waters flow over the Falls known as Sunset Falls Thence for a distance of 3 miles easterly from the west line of Skamania County Wash. with the meander of said stream including the streams entering the east fork of the Lewis River within this distance and for similar purposes it is intended wherever necessary to construct dams to hold and to divert the water to pipes ditches and flumes and carried to where uses. And it is intended to construct a dam over and above the said sunset falls (75) seventy five feet high. to store and divert the waters of the said river to pipes flumes and ditches on either side of said river to be conveyed to the west line of sec. 19 T. 4 N. R. 5 E. W.M. and there run through turbines for the uses herein before mentioned. The undersigned his heirs and assigns by reason of this notice also claims and appropriates the riparian rights and sufficient land which may be necessary for reservoirs dam sites
