Notice of water Appropriation.

Notice is hereby given that the undersigned citizen of the United States has this day in conformity with the Acts of Congress the laws of the state of Washington and the local customs of said state claimed taken possession and appropriated and does hereby claim, the possession and appropriate a reservoir site on the Main cispus river commencing at the head of the first falls on the main cispus river about one half mile below the confluence of the Muddy fork of the cispus and the main cispus river and continuing up the main cispus river to the Mount Adams and Johnson Creek trail crossing a distance of about six miles. The undersigned also claims locates and appropriates and takes possession of all of the valley on both sides of the bank and channel of the main cispus river which may be submerged by said reservoir site the intention being to store in said reservoir site seventy five thousand million cubic feet of water. The purpose for which said reservoir is claimed and appropriated and for which the same will be used is to store water for mining milling manufacturing irrigation and for creating a water power to be used for mining milling manufacturing irrigation purposes and for creating a water poer for the purpose of supplying cities towns and villages with water, light, heat and for furnishing public service corporations with light, heat and power and for all other uses for which electricity can be used for supplying power for the operation of Railroads and other means of transportation.

and for all and every public use and service to which water or water power or electricity generated from water power can in any way be used. Notice is hereby further given that the undersigned pursuant to this appropriation intends to construct dams, ditches pipes flumes and all the other necessary works for the creation and completion of a storage reservoir. A copy of this notice of appropriation has been posted on a cedar tree about one half mile below the junction of the muddy fork and the main cispus river on the left shore at the falls. This notice has been executed in duplicate and one copy thereof will be filed in the office of the Auditor of Skamania County Washington.

In Witness whereof the said undersigned posted a copy of this notice on this 31st day of October 1911
