

Notice of Water Appropriation.

Notice is hereby given that the undersigned Harvey McMunn a citizen of the United States and a citizen and resident of the State of Washington intends to and does hereby claim and appropriate for himself his heirs and assigns to the extent of (500) five hundred cubic feet per second of time the water lying being and flowing in a certain stream known as the east or south fork of the Lewis river in Tp.4.N.R.5 E of the W.M. in Skamania County State of Washington. 2. That said water is appropriated for the purpose of generating power for mining manufacturing and general mechanical uses, for the production of electrical energy and for the supplying of water to cities towns and villages, for fire protection, domestic purposes and other uses and to farms for irrigation and other domestic uses.

3. It is intended to store and divert the waters of said stream by means of dams and reservoirs in the Valley of said river and upon lands contiguous and adjacent thereto, extending from the west line of Skamania County where said river flows over and across the said county line, thence up said river with the meanders of said stream for a distance of three miles including the streams for similar purposes entering the said Lewis River.

4. I also claim within this three mile distance together with the aforesaid water the riparian rights and sufficient land for dam sites, reservoirs, flumes, ditches and pipe line on either side of said stream and particularly at or near the Sunset Falls where a dam seventy five (75) feet high is to be constructed to store and divert the said waters to the north side, thence carried westerly in pipes, ditches and flumes to a place at or near where the said river flows over and across the west line of section 18 Tp.4 N.R.5 E.W.M. thence through turbines for the use and purpose herein stated. Notice posted this 3rd day of April 1912 on a dead fir tree standing on the south side of said stream near Sunset Falls and the point of diversion of said waters.
