

NOTICE OF WATER RIGHT LOCATION.

NOTICE IS HEREBY GIVEN That the undersigned citizen of the United States in conformity with the acts of Congress, the laws of the State of Washington, and the local customs of said State, has claimed, taken possession of, located and appropriated, and does hereby claim, take possession of, locate and appropriate Two thousand cubic feet per second of time of the waters lying, being and flowing in the stream known as and named the Cispus River which said stream is situated in the County of Skamania in said State of Washington, the same being the stream on the left bank of which this Notice is posted.

This Notice is posted on a small Cedar tree at head of the first falls below the confluence of the muddy fork with the main Cispus River.

The purposes for which said water is claimed and appropriated, and for which the same will be used, are for mining, milling, manufacturing, industrial, irrigation, and for creating a water power to be used for mining, milling, manufacturing, industrial, irrigation purposes, and for creating a water power for the production of electricity to be used for all public, domestic and industrial uses; and for creating electricity for the purpose of supplying cities, towns and villages with light, heat and power; and for furnishing public service corporations with light, heat, and power; and for all other public uses to which electricity can be applied. For supplying cities, towns and villages with water, and for water works, and for irrigating lands, and for creating electricity for all public and domestic uses whatsoever. For supplying power for the operation of railroads and other means of transportation, and for all and every public use and service to which water, or water power, or electricity generated from water power can in any way be used.

Notice is hereby further given that the undersigned, pursuant to this appropriation intends to divert 2000 cubic feet of water per second of time from said stream, at and near the point where a copy of this Notice is posted; and to cause said quantity of water to flow therefrom in a westerly direction along the right shore about 15 miles to the power house site. The means by which it is intended to divert said water are dams, flumes, ditches, pipes and conduits.

The places where it is intended to use said water are as follows: about 15 miles in a westerly direction from the point of intake below the muddy fork.

This Notice has been executed in duplicate, and one copy thereof will be filed in the office of the Auditor of Skamania County, Washington.

IN WITNESS WHEREOF, The said appropriator has posted a copy of this notice as above described on this 11th day of November 1914.
