

Fork of Lewis River and its intended use is for the purpose of building a system of dams for log flotation and the generation of power for general purposes. Claiming right to build dam eighty feet high at this point. Posted on left bank on four ft diameter dead fir tree about  $\frac{1}{4}$  mile above Gum Boot Creek at a small fall 4 or 5 feet high. And I intend to hold and work said claim in accordance with the local customs and rules of miners and the Mining Laws of the United States and the State of Washington.

Dated the 29th day of July, 1909.

Location Notice of Water Right and site for Power and Mining Purposes.

Skamania County

State of Washington

We the undersigned citizens of the United States do hereby appropriate two hundred cubic feet of water per second of time under the laws, and all the water flowing past this point on South or East fork of Lewis River for the purpose of power, mining or generating of electrical power, or any other useful purpose by damming the same over what is known as Sun Set Falls on said stream. We claim the land (20) twenty rods in width on each side the stream at the meander of the center line for a distance of (65) sixty five rods northeasterly and (15) fifteen rods southwesterly from this point on this the 22nd day of July, 1909 by the undersigned locators.

Witnesses:

Emil Stassert  
Clarence Broughton Jr.

Harvey McMunn

Charles P. Church

Said location being in Sec. 19 T 4 N. 5 E W.M. near Clark County line and the notice nailed to a fir tree (dead) opposite the Falls.
