RECOMMENDATIONS

Stand #1 = 2ac Home site

Stand #2 = 12ac MA32 RA21. For + grazing. Recommend removing all hardwoods & replant to DF 2-0 seedlings. Will require grazing & hardwood control until conifers establish dominance.

Stand #3 = 7ac MA32 RA23. Manage same as stand 2.

Stand #4 = 6ac DF24 RA22. Steep side hill & creek bottom.

Recommend leave as is for game range & future timber crop.

Stand #5 = 2ac BPA Rip. Restricted use. Grazing land if blackberries are controlled.

This is all site TIT lands.
