Skamania County Commissioners
 Court House
 Stevenson, Washington 98646

Dear Sirs:

Attached is our Application for Classification of land owned
 for Current Use Assessment Under W.C. 204, form 1-121, December 24, 1976
 for Assessor's Parcel Number 2-3-34-2000 in Skamania County.

Title to this land was acquired by the Skamania Landing Owners Association, Inc. on July 1, 1976 from Columbia Environmental Resources, Inc. of Seattle, Washington, as community property for the Woodland Marina project part of Skamania Landing. This community area was dedicated in the plat as private property for common use of the property owners within the platted area. This is the intent and reason for our acquisition of the property through legal transfer of title to our organization.

Now we wish this property to be retained as currently used in its generally natural state. Therefore, we request it be classified as we state per our application.

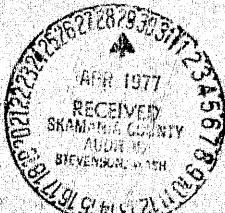

Very truly yours,

SKAMANIA LANDING OWNERS ASSOCIATION, INC.
