If not so returned within said time, then this Application and Contract shall be null and void and of no effect.

In case of such acceptance, the Customer agrees to equip the premises, at his own expense, with facilities for the use of the water service within 60 days from the date of notification by the District that the service is available, from the date that the meter is installed by the District or, in the event that such facilities are not complete, starting from the date of the close of the 60 day period referred to above.

The Customer agrees that this Application and Contract shall become a valid contract for the sale of water by the District to the Customer under the conditions contained herein, only upon being signed as accepted by the duly authorized agent of the District within the time limit fixed herein.

The Customer agrees to give to the District such easement or easements over his property for the construction, maintenance and operation of mains, laterals or services as may be necessary and at such reasonable locations as may be mutually agreed upon.

This contract shall run for a period of five years from date hereof, automatically renewing itself for the next twelve-month period unless notice in writing of cancellation is given the District by the Customer thirty days prior to the date of such renewal.
