To Whom It May Concern:

This is to certify that Karol Pope was treated by me on April 18, 1947, and again on May 3, 1947 at my office for fungus infection of the left external auditory canal. The infection involved the entire extent of the canal and was severe enough that I recommended he consult a specialist as there was danger of losing his hearing.

Very truly yours,
Drs. Setzer & Williams
G. W. Setzer
G. W. Setzer, M.D.
