

It is mutually agreed, that for the sum of One Dollar (\$1.00) per month, I, _____ will furnish water to the Washington State Patrol weighing station at Home Valley for use in drinking and lavatory facilities, from spring sources on my property.

It is further understood and agreed that if the source of supply should become low, the water supply to the scale house will have to be temporarily discontinued.

It is further agreed that I will grant the Washington State Patrol the right to construct a water pipe line on and across my property between the source of water supply and the boundary of the State property.
