P.O. Box 301  
Stevenson, Washington

Dear Mr. Harris:

Reference to your letter dated July 1, 1966, relative to grade crossing serving your property at Sepsecan, Washington.

In checking our records, I have been unable to find any record of a crossing permit to cover this grade crossing, and it appears at the time cultivation license was issued, which license is now in your name, we overlooked issuing permit to cover this grade crossing.

Permits issued for grade crossings are personal to the individual or individuals using them and in the event you sell any portion of your property, the permit or license agreement would have to be in the names of the individuals using the crossing.

I am this date preparing an agreement in your favor to cover this crossing, and if and when you sell any portion of your property, this agreement may be amended to include all other individuals using this grade crossing.

Yours very truly,

*H. E. Hudson*
