PROVISIONS PACIEFOT

Nothing in this certificate shall be construed as excusing the certificatee from compliance with any applicable federal, state, or local statutes, ording as, or regulations including those administered by local agencies under the Shoreline Management Act of 1971.

The access port, as required on your permit, shall be maintained at all times.

Owing to the proximity of noighboring wells, the centificater is reminded of his responsibility toward same and advised that he may be required to regulate his withdrawal and pumping rate if existing rights are injuriously affected.
