The Water Resources Act of 1971 specifies certain criteria regarding utilization and management of the waters of the State in the best public interest. Issuance of this certificate was based on sufficient waters available, at least during portions of the year. However, it is pointed out to the certificate holder that his use of the water may be subject to regulation at certain times, based on the necessity to maintain water quantities sufficient for preservation of the natural environment.

The right to the use of the water of record hereby confirmed is restricted to the lands or place of use herein described, except as provided in RCW 9A 03 390, 9A 03 391, and 9A 44 020.

This certificate of water right is specifically subject to relinquishment for nonuse of water as provided in RCW 90.14.190.

Given under my hand and the seal of this office at Olympia, Washington, this 5th day of March, 1976.
