LEGAL DESCRIPTION OF PROPERTY WATER TO BE USED ON

Lot 19 of the plat of Gustafson's Mt. St. Helens View Lots within Sec. 16, T. S. N., R. 5 E.W.M.

Diversion intake shall be tightly screened at all times with wire mesh having openings with dimensions not greater than 125 (1/8) inch.

The Water Resources Act of 1971 specifies certain criteria regarding utilization and management of the waters of the State in the best public interest. Issuance of this certificate was based on sufficient waters available, at least during portions of the year. However, it is pointed out to the certificate holder that his use of the water may be subject to regulation at certain times, based on the necessity to maintain water quantities sufficient for preservation of the natural environment.

The right to the use of the water aforesaid hereby confirmed is restricted to the lands or place of use herein described, except as provided in RCW 90.03.380, 90.03.390, and 90.44.020.

This certificate of water right is specifically subject to reimbursement for misuse of water as provided in RCW 90.14.180.

Given under my hand and the seal of this office at Olympia, Washington, this 27th day
of APRIL 1976.

JOHN A. BIGGS, Director
Department of Ecology

CERTIFICATE

Diversions intake shall be tightly screened at all times with wire mesh having openings with dimensions not greater than .033 (1/32) inch.

The Water Resources Act of 1971 specifies certain criteria regarding utilization and management of the waters of the State in the best public interest. Issuance of this certificate was based on sufficient waters available, at least during portions of the year. However, it is granted only to the certificate holder that his use of the water may be subject to regulation at certain times, based on the necessity to maintain water quantities sufficient for preservation of the natural environment.

My right to the use of the water contained in this certificate is limited to the land or area as herein described, except as provided in RCW 90.44.010, 90.44.020, 90.44.030, and 90.44.040.

This certificate of water right is specifically subject to relinquishment by the owner of water as provided in RCW 90.44.080.

In witness whereof, and the seal of this office at Olympia, Washington, the 1st day of January,

1976.
