The Water Resources Act of 1971 specifies certain criteria regarding utilization and management of the waters of the State in the best public interest. Issuance of this certificate was based on sufficient waters available, at least during portions of the year. However, it is pointed out to the certificate holder that his use of the water may be subject to regulation at certain times, based on the necessity to maintain water quantities sufficient for preservation of the natural environment.

Diversion intake shall be tightly screened at all times with wire mesh having openings with dimensions not greater than .125 (1/8) inch.

The right to the use of the water aforesaid hereby confirmed is restricted to the lands or place of use herein described, except as provided in RCW 90-14-180, 90-14-181, 90-14-182, and 90-14-183.

This certificate of water right is specifically subject to relinquishment for nonuse of water as provided in RCW 90-14-180.

Given under my hand and the seal of this office, at Olympia, Washington, this 14th day of January, 1978.
