**Department of the Interior,**

GENERAL LAND OFFICE,

Washington, D. C., December 25, 1907.

I hereby certify that the tracts of land described in the foregoing lot have been correctly selected and  
coupled with the township plan and tract book in the office and the same have been filed in the Office  
of State of Washington, State of Washington, on the \_\_\_\_\_, 1907, under integral  
to the purpose and long live from the Surveyor General of the State. The aforesaid  
tracts were not retained on mineral and are not in timber or containing  
mineral claim or record in said office, each of which has been  
put up to sale furnished by the Office of Land Survey, on the 25th of June, 1907,  
and mineral never in the State of Washington and are not found to be within  
said offices.

Approved:

Frank P. Quinn,  
Chief of Surveyor.

**Department of the Interior,**

GENERAL LAND OFFICE,

Washington, D. C., December 25, 1907.

I hereby certify that the tracts described in this lot, No. 23, aforesaid, in the original lot  
now on file in the office of lands referred to the State of Washington, in the  
present system of land, State of Washington, in the YAKIMA, \_\_\_\_\_, tract district  
as boundary for lots in the sections and townships named, which described boundary which are otherwise  
by the acts of Congress cited.

It is further certified that the lands reported above do in fact lie in said lot and those selected in lot thereof  
have been examined and compared with the township plan and tract books in the office, that the boundary  
lands claimed have been found to be properly due the township for which they are entered, and the selected  
lands are shown to be subject to no objection, being surveyed public lands not mineral in character, within the  
limits of said tract, \_\_\_\_\_, and free from adverse claim of record.

It is therefore recommended that the said lot containing 23.753 acres, \_\_\_\_\_, may be appraised  
subject to any valid interfering right existing at date of selection.

H. L. W. Department of the Interior,  
GENERAL LAND OFFICE,

Washington, D. C., November 15, 1907.

I hereby certify that the annexed transcript of approved  
List No. 23 School Land Indemnity Selections of the State of  
Washington, embracing 11753.34 acres in the Vancouver land dis-  
trict, approved November 8, 1907

is a true and literal exemplification of the original approved  
list on file in this office.

In testimony whereof I have hereunto subscribed my name,  
and caused the Seal of this Office to  
be affixed, at the City of Washington,  
the day and year above written.

This certifies that the tracts of land described in the foregoing lot have been carefully examined and compared with the township plats and tract books in this office, and the same have been found to be in lot No. 10, Section 14, Township of Marion, under its present name.

In so purporting to be free from conflicts or other adverse claims of record, the aforesaid tracts are not retained as collateral and are not by this instrument certified. No mining claims or rights in said articles, except as to the tract hereinafter described, are retained by the holder, and Harry W. Smith, Esq., is and shall remain the sole owner of all mineral rights in the lot to which W. H. Huntington and we are not found to be in title to, and the same are reserved.

**GENERAL SYSTEM.**

Washington, D. C., November 1, 1907  
It is hereby certified that the time so described in this No. 25, was used in the original bill  
now on file, to the rules of house selected by the State of Washington  
and that the same was introduced into the House of Representatives on the 1<sup>st</sup> day of November, 1907,  
in pursuant to the laws of the State of Washington.  
I am, etc.,  
John W. Gandy,  
Speaker of the House of Representatives of the State of Washington.  
I declare that the above statement is true and correct.  
I have signed my name to the original bill.  
I have signed my name to the original bill.

It is further averred that the books reported had different titles and those referred to in the three  
have been examined and compared with the titles of the ten and thirty books in this suit; that the defendant  
had obtained from the New York Central property for the books for which they were selected, and the plaintiff  
had no right to sue for the same, as the books were not used in the trial, nor caused to be used, within the  
limits of the State of New York, and the plaintiff has no cause of action.

It is therefore recommended that the said lot containing 11,700±34 acres be appurte-  
nized to a valid interfering right existing at date of selection.
