

(2)

That said mining claims were located by Mark Dearborn and Duval Corporation as agent for said locator has performed the annual assessment work on said mining claims.

That Affiant is Vice President, Minerals Acquisition, of said Duval Corporation.

That between the 1st day of September 1969 and the 1st day of September 1970, more than Three Thousand Dollars (\$3,000.00) worth of work was done and performed upon said claims, not including the location work on said claims, as hereinafter more particularly set forth.

That said work was done by Duval Corporation and complies with the laws of the United States of America pertaining to assessment work or annual labor for the year ending September 1, 1970, and that said work as performed was for the benefit of said mining claims as a group and for the purpose of exploration and possible development of said mining claims.

That the following is a description of work done, to-wit: A ground magnetometer geophysical survey was conducted for the benefit of said mining claims. See map and report which are attached and made a part hereof.

That said work was performed by Duval Corporation's equipment and personnel. The names of the men primarily responsible for the performance and supervision of said work are:

Joe Wilkins, Jr.
V. F. Hollister
R. C. Gale
F. H. Howell

Joe Shearer
Mark Dearborn
R. Hoffman

B. G. Messer
B. G. Messer

Subscribed and sworn to before me this 25th day of September 1970.

Dean W. Lynch
