 1500 feet in a Southerly direction to a corner post marked No. 7, thence
 300 feet in a Easterly direction to said end post marked No. 2.

The locators claim 750 feet in a Southerly direction from point of discovery to the Southern end line and 750 feet in the opposite direction from point of discovery to the Northern end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights,

privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being 1500 feet from a natural object or permanent monument in the vicinity, to-wit: North of Boulder Cr. Falls (use township and range, if possible)

In R.9E, T.9N, sec. 26 State of Washington, County of Skamania, and is further located 1500 Northerly of Gifford-Pinchot forrest road #123 Bridge over Boulder Creek.

The general course or strike of the vein or lode as nearly as may be determined is Gold-Silver with reference to the natural object or permanent monument described above. The adjoining claims are Lost mine adjoins the Eastern boundary, Royal Sequin adjoins the Southern boundary, and the #6 corner post of the "O" Bar "C" is the same as the #3 corner post.

This notice is placed at discovery post No. 1; posts are placed at each corner and both center ends, and the name of this vein or lode and date of location are placed on all posts so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.
