The locators claim 1200 feet in a Northerly

direction from point of discovery to the Northerly end line and 300

feet in the opposite direction from point of discovery to the Southerly end line and

300 feet on each side of the middle of said vein or lode, further claiming all the surface rights,

privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws

and customs. This claim is further described as being 1500 feet from a natural object or permanent monu-

ment in the vicinity, to-wit North of Boulder Cr. Falls (use township and range, if possible)

in T.9N., R.9E., Sec. 26 of the State of Washington, County of Skamania,

Being farther described as being 3000 feet up-stream of Gifford Pinchot forrest road #123 bridge over Boulder Creek.

The general course or strike of the vein or lode as nearly as may be determined is Gold-Silver

with reference to the natural object or permanent monument described above. The adjoining claims are

"O" Bar "C" #2 adjoins the Westerly line, "O" Bar "C" adjoins the Southern end line,

Royal Sequin #2 adjoins the Northern end line.

This notice is placed at discovery post No. 1; posts are placed at each corner and both center ends, and the name of this vein or lode and date of location are placed on all posts so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.
