THIS DIAGRAM EXPLAINS METHOD OF DESCRIPTION OF CLAIM.

Notice of Mining Location

STATE OF ~~WASHINGTON~~, WASHINGTON,County of SkamaniaMT. ADAMS

Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of mineral bearing rock in place upon the unappropriated public domain of the United States within the State of ~~Washington~~ and said Mining District; and, in accordance with the laws of the United States, of the State of ~~Washington~~ and the regulations of said Mining District, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post at the point of discovery, marked Post No. 1. The name of the claim is Royal Sequin #3 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), from thence

750 feet in a Southerly direction to an end post marked No. 2, thence

300 feet in a Easterly direction to a corner post marked No. 3, thence

1500 feet in a Northerly direction to a corner post marked No. 4, thence

300 feet in a Westerly direction to an end post marked No. 5, thence

300 feet in a Westerly direction to a corner post marked No. 6, thence

1500 feet in a Southerly direction to a corner post marked No. 7, thence

300 feet in a Easterly direction to said end post marked No. 2.

The locators claim 750 feet in a Southerly

direction from point of discovery to the Southern end line and 750

feet in the opposite direction from point of discovery to the Northern end line and

300 feet on each side of the middle of said vein or lode, further claiming all the surface rights,

privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws

and customs. This claim is further described as being 750 feet from a natural object or permanent monu-

ment in the vicinity, to-wit Northwest of Boulder Cr. Falls (use township and range, if possible)

in T.9N, R.9E, sec 26 State of Washington, County of Skamania, being further located

1500 feet North of Gifford-Pinchot forrest service road #123 bridge over Boulder Cr.

The general course or strike of the vein or lode as nearly as may be determined is Gold-Silver

with reference to the natural object or permanent monument described above. The adjoining claims are

"O" Bar "C" mine adjoins the Easterly side and the #7 Corner post of Lost mine

is at the Northeast corner of this claim. The "O" Bar "C" #2 adjoins the Norther

End line.

This notice is placed at discovery post No. 1; posts are placed at each corner and both center ends, and the name of this vein or lode and date of location are placed on all posts so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

Locator(s)

Caution: The laws of nearly all western states contain special requirements for location notices. These requirements differ from state to state. The Oregon requirements appear on the reverse hereof. If the claim for which this form is used is situated outside of Oregon, change the name of the state above and, before recording, carefully check the foregoing location notice with the laws of the state and the regulations of the mining district in which the claim is situated to ensure that the notice contains all things required.
