Locator

NOTICE—This notice should be posted at each center end and each corner of the claim and a copy thereof must be recorded.

Describe the claim accurately with reference to some natural object or permanent monument, and if on surveyed land according to government survey, and mark the boundaries on the ground so they may be readily traced.

Lode locations may include fifteen hundred feet on the course of the ledge, together with three hundred feet on each side of the middle of the vein.

Witnesses are not necessary, but advisable. Fill out all blanks with ink or indelible pencil.
