# Notice of Mining Location

## Relocation Notice

STATE OF ~~OREGON~~ Washington

County of Skamania

Copper Creek Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of mineral bearing rock in place upon the unappropriated public domain of the United States within the State of Oregon and said Mining District; and, in accordance with the laws of the United States, of the State of Oregon and the regulations of said Mining District, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post at the point of discovery, marked Post No. 1. The name of the claim is Copper Creek #3 - Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), from thence approx, more or less 300 feet in a northeasterly direction to an end post marked No. 2, thence approx - 300 feet in a northwesterly direction to a corner post marked No. 3, thence 1500 feet in a southwesterly direction to a corner post marked No. 4, thence approx - 300 feet in a southeasterly direction to an end post marked No. 5, thence approx - 300 feet in a southeasterly direction to a corner post marked No. 6, thence 1500 feet in a northeasterly direction to a corner post marked No. 7, thence approx - 300 feet in a northwesterly direction to said end post marked No. 2. The locators claim approx, more or less, 300 feet in a northeasterly direction from point of discovery to the #2 post, westerly end line and approx, more or less, 1200 feet in the opposite direction from point of discovery to the #5 post, south end line and feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being feet from a natural object or permanent monument in the vicinity, to-wit: T. 4 N., Sec. 30 & 31, R. 5 E. (use township and range, if possible) See Copper Creek Claim #1, Book 1, Pg. 915 for specific directions.

The general course or strike of the vein or lode as nearly as may be determined is

with reference to the natural object or permanent monument described above. The adjoining claims are

Copper Creek Claim #2 on the northwesterly side,  
Copper Creek Claim #4 on the southeasterly side,  
and Copper Creek Claim #11 backing on the southerly end. - "The whole or any part of Copper Creek #3 is located as abandoned property." (Copper Creek #1 recorded Book 1, Pg. 915)

This notice is placed at discovery post No. 1; posts are placed at each corner and both center ends, and the name of this vein or lode and date of location are placed on all posts so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

Caution: The laws of nearly all western states contain special requirements for location notices. These requirements differ from state to state. The Oregon requirements appear on the reverse of this form. If the claim for which this form is used is situated outside of Oregon, change the name of the state above and, before recording, carefully check the location notice with the laws of the state and the regulations of the mining district in which the claim is situated to ensure that the notice contains all things required.
