Notice of Mining Location Relocation Notice

STATE OF ~~Oregon~~ WashingtonCounty of SkamaniaCopper City Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of mineral bearing rock in place upon the unappropriated public domain of the United States within the State of ~~Oregon~~ and said Mining District; and, in accordance with the laws of the United States, of the State of ~~Oregon~~ and the regulations of said Mining District, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post at the point of discovery, marked Post No. 1. The name of the claim is Star Creek #4 - Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), from thence

.....feet in a direction to an end post marked No. 2, thence
feet in a direction to a corner post marked No. 3, thence
feet in a direction to a corner post marked No. 4, thence
feet in a direction to an end post marked No. 5, thence
feet in a direction to a corner post marked No. 6, thence
feet in a direction to a corner post marked No. 7, thence
feet in a direction to said end post marked No. 2.

The locators claimfeet in a

direction from point of discovery to the end line and

feet in the opposite direction from point of discovery to the end line and

.....feet on each side of the middle of said vein or lode, further claiming all the surface rights,

privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws

and customs. This claim is further described as beingfeet from a natural object or permanent monu-

ment in the vicinity, to-wit: T 4 N, R 5 E, Sec (use township and range, if possible)(See Star Creek #2 for more specific instructions)

Star Creek #4 is a rough trapezoid, measuring more or less,
 on each side: 800' on the east (Star Creek bank), 1000' on the
 north, 1000' on the west, and 1500' on the south. Approx. measures.

The general course or strike of the vein or lode as nearly as may be determined is

with reference to the natural object or permanent monument described above. The adjoining claims are

Star Creek #3 on the north side, O'Leary's Copper Creek
Claims on the west side, and Star Creek #5 on the south
 side. (Star Creek being the eastern boundary.)

"The whole or any part of Star Creek #4 is located as
 abandoned property."

This notice is placed at discovery post No. 1; posts are placed at each corner and both center ends, and the name of this vein or lode and date of location are placed on all posts so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

Located this 23rd day of April, 19 75.

Locator(s).

Caution: The laws of nearly all western states contain special requirements for location notices. These requirements differ from state to state. The Oregon requirements appear on the reverse hereof. If the claim for which this form is used is situated outside of Oregon, change the name of the state above and, before recording, carefully check the foregoing location notice with the laws of the state and the regulations of the mining district in which the claim is situated to ensure that the notice contains all things required.
