NO. 6	LOCATION DISCOVERY POINT NO. 1	NO. 7
THIS DIAGRAM EXPLAINS METHOD OF DESCRIPTION OF CLAIM.		

Notice of Mining Location Relocation Notice

STATE OF OREGON, Washington

County of Skamania

Copper Creek Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of mineral bearing rock in place upon the unappropriated public domain of the United States within the State of Oregon and said Mining District; and, in accordance with the laws of the United States, of the State of Oregon and the regulations of said Mining District, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post at the point of discovery, marked Post No. 1. The name of the claim is Star Creek #43 Claim, further described as follows: 600 feet wide by 1500 feet deep.

Commencing at a post marked No. 1 (Discovery Post), from thence

.....feet in adirection to an end post marked No. 2, thence
feet in adirection to a corner post marked No. 3, thence
feet in adirection to a corner post marked No. 4, thence
feet in adirection to an end post marked No. 5, thence
feet in adirection to a corner post marked No. 6, thence
feet in adirection to a corner post marked No. 7, thence
feet in adirection to said end post marked No. 2.

The locators claimfeet in adirection from point of discovery to theend line and

feet in the opposite direction from point of discovery to theend line and
feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as beingfeet from a natural object or permanent monument in the vicinity, to-wit: T. 3 N., R. 5 E. (use township and range, if possible)

(See Star Creek Claim #37 for more specific directions.)

Star Creek #43 is west end borders on the east bank of Star Creek.
 There are several outcropings of copper and sphalerite, indicating a large deposit or deposits, on both claims.

The general course or strike of the vein or lode as nearly as may be determined is

with reference to the natural object or permanent monument described above. The adjoining claims are

Star Creek Claims, #39 on the south side, #44 on the west end, #47 on the south side, & #45 on the east end.

> The whole or any part of Silver Star #43 is located as abandoned property.

This notice is placed at discovery post No. 1; posts are placed at each corner and both center ends, and the name of this vein or lode and date of location are placed on all posts so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

Locator(s).

Caution: The laws of nearly all western states contain special requirements for location notices. These requirements differ from state to state. The Oregon requirements appear on the reverse hereof. If the claim for which this form is used is situated outside of Oregon, change the name of the state above and, before recording, carefully check the foregoing location notice with the laws of the state and the regulations of the mining district in which the claim is situated to ensure that the notice contains all things required.
