

FORM No. 830—NOTICE OF VEIN OR LODE LOCATION IN OREGON.
10

Notice of Mining Location

STATE OF OREGON, Washington

County of Shamash
Slide Creek Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of mineral bearing rock in place upon the unappropriated public domain of the United States within the State of Oregon and said Mining District; and, in accordance with the laws of the United States, of the State of Oregon and the regulations of said Mining District, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post at the point of discovery, marked Post No. 1. The

name of the claim is L & M #3 Claim, further described as follows: 600 feet wide by 7500 feet deep.

Commencing at a post marked No. 1 (Discovery Post), from thence

.....feet in a.....direction to an end post marked No. 2, thence
feet in a.....direction to a corner post marked No. 3, thence
feet in a.....direction to a corner post marked No. 4, thence
feet in a.....direction to an end post marked No. 5, thence
feet in a.....direction to a corner post marked No. 6, thence
feet in a.....direction to a corner post marked No. 7, thence
feet in a.....direction to said end post marked No. 2.

The locators claimfeet in a.....

direction from point of discovery to the.....end line and.....

feet in the opposite direction from point of discovery to the.....end line and.....

.....feet on each side of the middle of said vein or lode, further claiming all the surface rights,

privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws

and customs. This claim is further described as being.....feet from a natural object or permanent monu-

ment in the vicinity, to-wit: T4N, R5E, Sec. 20 (use township and range, if possible)

L & M #3 lies behind L & M #2 & L & M #1 in a
southeasterly direction - L & M #1, L & M #2, discovery
point is approximately 350 feet east of slide cave entrance into
East Fork of Lewis River on South Bank of Lewis River

The general course or strike of the vein or lode as nearly as may be determined is southeasterly

with reference to the natural object or permanent monument described above. The adjoining claims are

L & M #2 on the northwest end & Fred Explication

#3 on the south west side

L & M #3 is a continuation of L & M #2, based on

the assumption that the vein or lode continues on

into L & M #3

This notice is placed at discovery post No. 1; posts are placed at each corner and both center ends, and the name of this vein or lode and date of location are placed on all posts so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

Located this 2nd day of September, 1975.

Locator(s).

Caution: The laws of every state contain special requirements for location notices. These requirements differ from state to state. The Oregon requirements are set forth in the laws of Oregon. If the claim for which this form is used is situated outside of Oregon, change the name of the state above and, before recording, carefully check the foregoing location notice with the laws of the state and the regulations of the mining district in which the claim is situated to ensure that the notice contains all things required.
