ACUTION ACUTION AACH.

Caution The laws of nearly all Ordern states contain special requirements for location notices. These requirements differ from state to state. The Oregon equirements appear on the reverse hereof. If the claim for which this form is used is situated outside of Oregon, change the name of the state above and, before recording, carefully check the foregoing location notice with the laws of the state and the regulations of the mining district in while the state and the regulations of the mining district in while the state and the regulations of the mining district in while the state and the regulations of the mining district in while the state and the regulations of the mining district in while the state and the regulations of the mining district in while the state and the regulations of the mining district in while the state and the regulations of the mining district in while the state and the regulations of the mining district in while the state and the regulations of the mining district in while the state and the regulations of the mining district in while the state and the regulations of the mining district in while the state and the regulations of the mining district in while the state and the regulations of the mining district in while the state and the regulations of the mining district in while the state and the regulations of the mining district in while the state and the regulation and t
