Relocation Notice

TO WHOM IT MAY CONCERN:

Notice is hereby given that the undersigned locator/s have discovered a vein or lode of mineral bearing rock in place upon the unappropriated public domain of the United States, within the State of Washington, and said Mining District; and in accordance with the laws of the United States and of the State of Washington, have located a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post at the point of discovery.

The name of the claim is Star Creek #48. This claim is 1500 feet long and 600 feet wide with the discovery being in the center of the claim 50 feet east of the (#50) west End Center, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs.

This claim is in T.3N. R.5E, and further described as being 7800 feet, more or less, from a natural object or permanent monument in the vicinity, to-wit: North border line of #48 is approx. 7800 feet south of the confluence of Copper Creek and Star Creek with its west end line approximately 1500 feet east of Star Creek.

All corners are marked by blazed trees or rock cairns w/ metal tags, where applicable; and witness posts if corners cannot be reached.

Further information to-wit: The whole or any part of Star Creek #48 is located as abandoned property.

The adjoining claims are: Star Creek #44 on north side, Star Creek #47 on west end line, Copper Creek #90 on south side. See map filed.
