Notice of Mining Location

Relocation NoticeSTATE OF ~~OREGON~~, WashingtonCounty of SkamaniaCopper Creek Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of mineral bearing rock in place upon the unappropriated public domain of the United States within the State of ~~Oregon~~ and said Mining District; and, in accordance with the laws of the United States, of the State of ~~Oregon~~ and the regulations of said Mining District, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post at the point of discovery, marked Post No. 1. The name of the claim is Copper Creek #89 Claim, further described as follows: 600 feet wide by 1500 feet deep. (E-W direction)

Commencing at a post marked No. 1 (Discovery Post), from thence

.....feet in adirection to an end post marked No. 2, thence
feet in adirection to a corner post marked No. 3, thence
feet in adirection to a corner post marked No. 4, thence
feet in adirection to an end post marked No. 5, thence
feet in adirection to a corner post marked No. 6, thence
feet in adirection to a corner post marked No. 7, thence
feet in adirection to said end post marked No. 2.

The locators claimfeet in a

direction from point of discovery to theend line and-

feet in the opposite direction from point of discovery to theend line and

.....feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being.....feet from a natural object or permanent monument in the vicinity, to-wit: T3N R5E (use township and range, if possible)

(See Copper Creek Claim #1, Book L, Pg. 915 for directions.)

Discovery of an outcropping of copper sulphides in Claims

#76, 78, 80, & 82 show signs of leading upward toward Claims

#74, 72, 70, 71, 73, 75, 77, 79, 81, & 83 and flowing down into Claims #84-87.

The general course or strike of the vein or lode as nearly as may be determined is

with reference to the natural object or permanent monument described above. The adjoining claims are

Copper Creek Claims, #88 on the west end, and #87 onthe south side.> The whole or any part of Copper Creek Claim #89 islocated as abandoned property.

.....

.....

This notice is placed at discovery post No. 1; posts are placed at each corner and both center ends, and

the name of this vein or lode and date of location are placed on all posts so that the boundaries of the claim

may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where

the context so requires.

Caution: The laws of all western states contain special requirements for location notices. These requirements differ from state to state. The Oregon requirements appear on the reverse hereof. If the claim for which this form is used is situated outside of Oregon, change the name of the state above and, before recording, carefully check the foregoing location notice with the laws of the state and the regulations of the mining district in which the claim is situated to ensure that the notice contains all things required.
