## AMENDED NOTICE OF LOCATION

## Notice of Mining Location

STATE OF OREGON, WASH

County of SHAMANA

Gifford-Pinkett M.D.F.

Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of mineral bearing rock in place upon the unappropriated public domain of the United States within the State of ~~Ore~~ and said Mining District; and, in accordance with the laws of the United States, of the State of ~~Ore~~ and the regulations of said Mining District, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post at the point of discovery, marked Post No. 1. The name of the claim is LITTLE TRAILER #1 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), from thence

300 feet in a S. WESTERLY direction to an end post marked No. 2, thence  
 300 feet in a S. EASTERLY direction to a corner post marked No. 3, thence  
 1500 feet in a N. EASTERLY direction to a corner post marked No. 4, thence  
 300 feet in a N. WESTERLY direction to an end post marked No. 5, thence  
 300 feet in a N. WESTERLY direction to a corner post marked No. 6, thence  
 1500 feet in a S. WESTERLY direction to a corner post marked No. 7, thence  
 300 feet in a S. EASTERLY direction to said end post marked No. 2.

The locators claim 300 feet in a S. WESTERLY direction from point of discovery to the S. WEST end line and 1200 feet in the opposite direction from point of discovery to the N. EASTERLY end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights,

privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being 40 feet from a natural object or permanent monument in the vicinity, to-wit: SECTION THINASE W.D. (use township and range, if possible),

THIS DISCOVERY CONSISTS OF MULTIPLE NODES AND DISSEMINATED COPPER WITH ASSOCIATED MINERALS PERMANENT MONUMENT B.M. 1157

The general course or strike of the vein or lode as nearly as may be determined is N. EASTERLY with reference to the natural object or permanent monument described above. The adjoining claims are L.T. #2 - E HALF PENNY - W.

AMENDMENT OF ORIGINAL LOCATION

DATED SEP. 22, 1979 RECORDED AT BOOK N - PAGE 274

TO IDENTIFY INDIVIDUAL CLAIM DESCRIPTIONS

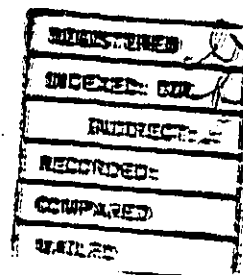

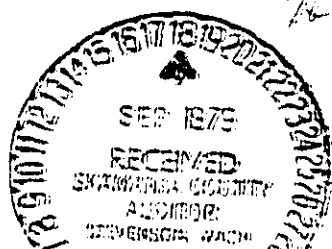

This notice is placed at discovery post No. 1; posts are placed at each corner and both center ends, and the name of this vein or lode and date of location are placed on all posts so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

Location(s).

Caution: The laws of nearly all western states contain special provisions for location notices. These provisions differ from state to state. The Oregon requirements appear on the reverse hereof. If the laws of the state in which the claim is located are different from those of the state above and, before recording, carefully check the laws of the state and the regulations of the mining district in which the claim is situated to ensure that the location notice contains all things required.
