Caution: The laws of nearly every state have special requirements for location notices. These requirements differ from state to state. The Oregon requirements appear on page 1 of the Oregon Mining Code. If the claim for which this form is used is situated outside of Oregon, change the name of the state above and, before recording, check the foregoing location notice with the laws of the state and the regulations of the mining district in which the claim is situated to ensure that the notice contains all things required.
