

Dec 79

Quarter 1/4 Sec 10
T9N R8E Wash.

Dear Sir:-

I wish to file an amendment to # 89678, Book of Mines, Book N, pages 315-316, recorded 10-1-79.

The description of location should be in the SE 1/4 of the NE 1/4 also in the NE 1/4 of the SE 1/4 of Sec 10 T9N, R8E. as I believe it crosses the quarter sec. line.

This description replaces the one in the original claim copy which I stated it was in the SE 1/4 of the NE 1/4 Sec 10 T9N R8E.

All else remains as in the original claim filed.

Thank you
