The locators claim 1400 feet in a north easterly

direction from point of discovery to the north easterly end line and 100

feet in the opposite direction from point of discovery to the south easterly end line and

100 and 500 feet on each side of the middle of said vein or lode, further claiming all the surface rights,

privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws

and customs. This claim is further described as being feet from a natural object or permanent monu-

ment in the vicinity, to-wit: *Section 13T 4N 5E* (use township and range, if possible)

Starting at junction of R. N413 on N420 go up N413 approx 1.7 mi. to old logging bridge that crosses Green Forks Cr. Go 100 yds in S. westerly direction up old logging rd. Then turn with rd. N. westerly and continue about 60 yd. to deer trail. Proceed approx 300 yd northerly and go up creek 100 ft.

The general course or strike of the vein or lode as nearly as may be determined is

with reference to the natural object or permanent monument described above. The adjoining claims are

Green Bear No. 2 and it touches on its south westerly line. Its discovery point is 200 ft. to the creek in a south easterly direction. Then going up the creek 100 ft. in a north westerly direction to the discovery post #1 of this claim.

This notice is placed at discovery post No. 1; posts are placed at each corner and both center ends, and the name of this vein or lode and date of location are placed on all posts so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.
