LOCATION DISCOVERY
POST NO. 1

NO. 6

THIS DIAGRAM EXPLAINS METHOD OF
DESCRIPTION OF CLAIM.

Notice of Mining Location

STATE OF OREGON, Washington

County of Skamania

Silver Star

Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of mineral bearing rock in place upon the unappropriated public domain of the United States within the State of Oregon and said Mining District; and, in accordance with the laws of the United States, of the State of Oregon and the regulations of said Mining District, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post at the point of discovery, marked Post No. 1. The name of the claim is Green Bear #4 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), from thence

200 feet in a South easterly direction to an end post marked No. 2, thence

300 feet in a north easterly direction to a corner post marked No. 3, thence

1500 feet in a north westerly direction to a corner post marked No. 4, thence

300 feet in a South westerly direction to an end post marked No. 5, thence

300 feet in a South westerly direction to a corner post marked No. 6, thence

1500 feet in a South easterly direction to a corner post marked No. 7, thence

300 feet in a north easterly direction to said end post marked No. 2.

The locators claim 1300 feet in a north westerly

direction from point of discovery to the north westerly end line and 200

feet in the opposite direction from point of discovery to the South westerly end line and

300 feet on each side of the middle of said vein or lode, further claiming all the surface rights,

privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws

and customs. This claim is further described as being feet from a natural object or permanent monu-

ment in the vicinity, to-wit: Section 13 T. 4 N. 5 E (use township and range, if possible)

Starting at junction of Rd. N413 on N420 go up N413 approx. 1.7 mi. To old

logging bridge that crosses Green Forks Cr. Go 160 yd. in S. Westerly direction

up old logging rd. Then turn N. Westerly and continue about 60 yd. To animal trail.

Proceed approx. 300 yd. northerly and cross creek. Then go up opposit 100 feet to

Green Bear #2. See below for relation slip.

The general course or strike of the vein or lode as nearly as may be determined is

with reference to the natural object or permanent monument described above. The adjoining claims are

Green Bear #4 is adjacent to Green Bear #2 on its

north easterly line. The two claims are side by side.

This notice is placed at discovery post No. 1; posts are placed at each corner and both center ends, and the name of this vein or lode and date of location are placed on all posts so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

Locator(s).

Caution: The laws of nearly all western states contain special requirements for location notices. These requirements differ from state to state. The Oregon requirements appear on the reverse hereof. If the claim for which this form is used is situated outside of Oregon, change the name of the state above and, before recording, carefully check the foregoing location notice with the laws of the state and the regulations of the mining district in which the claim is situated to ensure that the notice contains all things required.
