Locator

This notice should be posted at each center end and each corner of the claim and a copy of this notice should be filed with the county auditor. The claim is located with reference to some natural object or permanent monument, and is located and according to government survey, and mark the boundaries on the ground so they can be readily traced. This location includes fifteen hundred feet on the course of the ledge, together with three hundred feet on each side of the middle of the vein.

Witnesses are not necessary, but advisable. Fill out all blanks with ink or indelible pencil.
