Alex Mine #CR MC 12872 (BLM)
Owner Hugh A. Vogel

I'm requesting your
determination on the "Alex Mine,"
St. Helen's Mining Dist., Sections
13-14, Township 10, North
of Range 5 E.M. Shastana
Co., State of Wash., Filed
in Book 2, pages 329 &
330 - # 72729.

Reason, it's located in
restricted area of Mt. St. Helens.

Forest Service rules make
it impossible for me.

The rule of being within
fifteen minutes of vehicle
that has a short-wave type
radio of the ham operator type.

My claim is located on
mountain side and even if a
helicopter could land getting to
claim would exceed that time.

Thanking You

Hugh A. Vogel
