

In consideration of One Dollar, the receipt whereof is hereby acknowledged, Wilbur H. Galligan and Margaret L. Galligan, his wife, grant to Northwestern Electric Company a perpetual right-of-way in and over the following described real property, situated in County of Skamania, State of Washington, to-wit: Lots 1 and 2 and the Northeast quarter of the Northwest quarter of Section 30, Township 3, North, Range 10 East of the Willamette Meridian for the purpose of erecting, maintaining and operating thereon, two pole or tower lines for the transmission of electric current; together with the right to cut such trees and brush as may be necessary in constructing, maintaining and protecting such lines from damage. The first or south transmission line is surveyed and staked across said land and the third, last, or middle survey is to be adopted by the Northwestern Electric Company as said stakes are now located on the ground and said stakes are located entirely North of grantor's land now cleared and in cultivation. The second transmission line shall be constructed parallel to the first line and not to exceed fifty feet from it and in a northerly direction.

Witness my hand this 22nd day of May, 1912.

In the presence of

S.R. Harris

O.A. Perry

A. Fleischhauer, County Auditor.

Peterson to Northwestern Electric Co.

In consideration of One Dollar, the receipt whereof is hereby acknowledged, James Peterson, a bachelor and S. Samson mortgagee grant to Northwestern Electric Company a perpetual right-of-way in and over the following described real property, situated in County of Skamania, State of Washington, to-wit: A tract of land in the Northeast Corner of the Henry Shepard Donation Land Claim in Sec. 36 T. 3 N. R. 7 1/2 E. of W.M. lying East of the land of Henry Hickey and North of the Spokane, Portland and Seattle Railroad right of way containing 34 acres more or less, for the purpose of erecting, maintaining and operating thereon, two pole or tower lines for the transmission of electric current; together with the right to cut such trees and brush as may be necessary in constructing, maintaining and protecting such lines from damage. The line has been surveyed across the land and the same may be made straight if desired by grantee also the right is granted to make a new survey to conform with change of line west of grantors land but not change the line south more than 70 feet. The second line when constructed shall be parallel to and not more than 50 feet from and north of the first line.

The position of the poles or towers when constructed shall be the location intended by this
