Dear Russ:

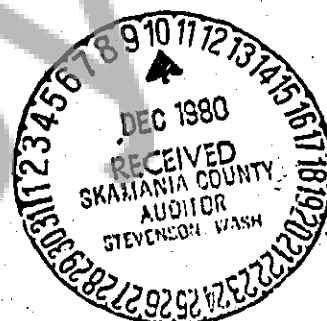

This letter will acknowledge that the Gifford Pinchot National Forest in the vicinity of your mining claims was administratively closed during the summer of 1980 due to the Mt. St. Helens eruption. The closure effectively prevented accomplishment of annual assessment work on the claims, which are:

— Firlock Lode Claim, OR MC-8278
Firlock 2 Lode Claim, OR MC-10881(WA)
Firlock 3 Tunnel Site, OR MC-33839

Sincerely,

Ed Osmond
