

NOTICE OF INTENT TO HOLD MINING CLAIM.

1-OR-MC-21147

NAME OF CLAIM - SCAMP CREEK -
SKAMANIA COUNTY

2- OWNER OF CLAIM:

PATRICK A BAXTER
1309 S. GARFIELD, ST
TACOMA WASH 98444

3- This claim is held by me Patrick A. Baxter for the purpose of prospecting for and mining of any valuable and non-valuable minerals - Re-Gold, Copper quartz - or any I may find contained therein.

4. I will continue to develop and improve this claim as long as I hold same, in the amount set down by the mining laws, and to furnish L.B.M. and the Skamania Co recorder with a Certified proof of labor notice each year with in the time period allotted for each year I hold OR-MC-21147.

5. Because of the location of this claim no proof of labor was filed for 1980 as it was impossible to reach the area. Snow conditions kept the area inaccessible most of the year and because of the Mount Saint Helens disaster the location was deemed to be an unsafe area by the state and entrance was denied to me. A permit must be had to be in the area.

6. A certified copy of this form filed with the Skamania Co office will be mailed to the office of L.B.M. to be filed before the December 30 1980 deadline

7. I have filed this notice of Intent to hold and develop Mining Claim OR-MC-21147 in compliance with Reclamation of Unpatented Mining Claim - 43-C.F.R. 3833-2.8. Dept of Interior L.B.M. December 10 1980. A prior claim notice was mailed to L.B.M. and Skamania County Oct 1980
