

located and built the location and structure shall be the right of way hereby intended to be conveyed but no poles or towers shall be constructed northerly of the right of way above described.

WHEREAS, the said Christina H. Cook and J.W. Cook have granted to the Northwestern Electric Company a right of way for one transmission line described in a right of way deed executed on this date in which right of way deed the said Northwestern Electric Company has a right and option to change its line from the northerly side of the road way along the southerly end of said lots in said Home Valley so as to go near the south line of said road, with the intention that if the change is made it will be done so as to enable it to erect a second pole or tower line northerly of and parallel with the pole or tower line described in said right of way deed; and

WHEREAS, it may be desirable to extend the width of the said road along the southerly end of said lots in Home Valley from 30 feet in width to 50 feet in width and place both of said pole or tower lines for the transmission of electric current within the boundaries of said 50 foot road with the exception of two poles or towers which may stand within the boundaries of the lots near and adjacent to the line between Lot 2 (U.S. survey) and the northeast quarter of the northwest quarter of said section 35 so as to enable the said Northwestern Electric Company to erect its second transmission line parallel with its first and above described pole or tower line,

NOW, THEREFORE, the said Christina H. Cook and J.W. Cook in consideration of One Dollar to them paid by said company hereby agree that at any time within one year from the date hereof upon the payment to them of the sum of One hundred and fifty Dollars (\$150.) they will execute such a deed of conveyance to the public or to Skamania County, Washington, as may be necessary and required of them by said company with respect to their interest in said lands, so as to increase the width of said road where it is now 30 feet in width to the width of 50 feet, within which road as widened said company may construct a second transmission line, and that they will grant to said company the right to erect on that part of said lots 1 and 2 in Home Valley which lie within the boundaries of said (U.S. survey) lot 2 its necessary poles or towers for its second transmission line, provided, always, that they shall not be placed more than 50 feet distant from the right of way for the first transmission line granted by said deed made this day.

IN TESTIMONY WHEREOF, the said Christina H. Cook and J.W. Cook her husband, have hereunto set their hands and seals this 22d day of June, 1912.

Executed in the presence of:
M. Colpitts.
P.P. Dabney

Christina H. Cook.

J.W. Cook

Filed for record by Northwestern Electric Company on Sept. 2, 1912 at 1:15 P.M.

A. Fleischhauer,

County Auditor.
