

(III) Ground rents, taxes, special assessments, fire and other hazard insurance premiums;

(IV) Interest on the note secured hereby; and

(V) Amortization of the principal of said note.

Any deficiency in the amount of any such aggregate monthly payment shall, unless made good by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage. The Mortgagee may collect a "late charge" not to exceed two cents (2¢) for each dollar (\$1) of each payment more than fifteen (15) days in arrears to cover the extra expense involved in handling delinquent payments.

3. If the total payments made by the Mortgagor under (b) of paragraph (2) preceding shall exceed the amount of payments actually made by the Mortgagee for ground rents, taxes, assessments, or insurance premiums, as the case may be, such excess shall be credited by the Mortgagee on subsequent payments to be made by the Mortgagor. If, however, the monthly payments made by the Mortgagor under (b) of paragraph 2 preceding shall not be sufficient to pay ground rents, taxes, assessments, or insurance premiums, as the case may be, when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency, on or before the date when payment of such ground rents, taxes, assessments, or insurance premiums shall be due. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor any balance remaining in the funds accumulated under the provisions of (b) of paragraph 2 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered hereby or if the Mortgagee acquires the property otherwise after default, the Mortgagee shall apply, at the time of commencement of such proceedings or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under (b) of paragraph 2 preceding, as a credit against the amount of principal then remaining unpaid under said note.

4. Mortgagor will pay, when due and payable, all taxes, assessments and other governmental charges, fines or impositions, for which provision has not been made hereinbefore, and will promptly deliver the official receipts therefor to the Mortgagee. In default of such payment by Mortgagor, the Mortgagee may pay the same and Mortgagor hereby waives any irregularities or defects in the levy or assessment and agrees that a receipt by the proper officer shall be conclusive evidence both as to the amount and validity of taxes or other governmental charges paid by Mortgagee.

5. Mortgagor will keep the improvements now existing or hereafter erected on the mortgaged property, insured as may be required from time to time by the Mortgagee against loss by fire and other hazards, casualties and contingencies in such amounts and for such periods as may be required by Mortgagee, and will pay promptly, when due, any premiums on such insurance for payment of which provision has not been made hereinbefore. All insurance shall be carried in companies approved by Mortgagee and the policies and renewals thereof shall be held by Mortgagee and have attached thereto loss payable clauses in favor of and in form acceptable to the Mortgagee. In event of loss Mortgagor will give immediate notice by mail to Mortgagee, and Mortgagee may make proof of loss if not made promptly by Mortgagor; and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Mortgagee instead of to Mortgagor and Mortgagee jointly, and the insurance proceeds, or any part thereof, may be applied by Mortgagee at its option
