If all of the bonds to be redeemed at the time of any redemption of bonds are fully registered bonds or are coupon bonds registered as to principal, published notice of such redemption need not be given.

Section 5. Such notice shall specify the price at which such bonds are to be redeemed, the series, date of maturity, date of redemption, and if less than all of the bonds outstanding of a specified series are to be redeemed, the serial numbers of such bonds.

Section 6. In case any registered bond without coupons is to be redeemed in part only, such notice shall specify the principal amount thereof to be redeemed and shall state that upon surrender thereof for redemption, a new bond or new bonds of that series in aggregate principal amount equal to the unredeemed portion of such registered bond will be issued in lieu thereof, and, in such case, the Company shall execute and the Trustee shall authenticate and deliver such new bond or bonds to or upon the written order of the registered owner of such registered bond at the expense of the Company.

Section 7. All bonds which have been redeemed shall be cancelled by the Trustee, together with the coupons, if any, pertaining thereto, and shall be delivered to or upon the order of the Company and may not be reissued.

Section 8. The Trustee may, but shall not be required to give notice of any call for redemption unless it shall be required to give notice of any call for redemption unless it shall theretofore have received the amount necessary to redeem the bonds to be redeemed and to pay all proper charges and expenses of the Trustee in connection therewith. In case any question shall arise as to whether any such notice shall have been sufficiently given such question shall be decided by the Trustee, and the decision of the Trustee shall be final and binding upon all parties in interest.
