Dear sir:

By section 596, Washington statutes, it is provided that as to property to which title has been acquired by foreclosure subject to the period of redemption "if the purchaser or redemptioner shall pay any taxes or assessments" he must file a statement thereof with the Auditor of the county where said property is situated before the property shall have been redeemed from him. Otherwise the property may be redeemed without paying such tax, assessment or lien".

Pursuant to the provisions of such statutes, you are accordingly advised that this bank has paid the taxes for the year 1928 against the above described property to which it holds title by virtue of Sheriff's certificate of sale dated 4-28-29

Very truly yours
