Mortgage Record Y

which the first notice by publication (or in the case of redemptions for the sinking fund, the notice by publication) is required to be given, provided, however, that if the bonds to be redeemed include none except fully registered bonds without coupons and coupon bonds registered as to principal, published notice of such redemption need not be given. The Indenture provides, among other things, that notice of redemption having been duly given, this bond shall become due and payable upon the redemption date and, if the redemption price shall have been duly deposited with the Trustee, interest hereon shall cease to accrue from and after the date fixed for redemption and that whenever the redemption price hereof shall have been duly deposited with the Trustee and notice of redemption shall have been duly given or provision therefor made as provided in the Indenture, this bond shall no longer be entitled to any lien or benefit of the Indenture.

In the event that all or any part of the bonds of this Series shall be redeemed or otherwise discharged prior to their maturity pursuant to or in accordance with the order of any governmental commission or regulatory authority upon the reorganization, dissolution or liquidation of the Company, the holders or registered owners of such bonds shall be entitled to be paid therefor an amount equal to the redemption price then applicable in the case of a redemption at the option of the Company.

In case an event of default, as defined in the Indenture, occurs, the principal of this bond may become or may be declared due and payable prior to the stated maturity hereof in the manner and with the effect and subject to the conditions provided in the Indenture.

This bond is transferable by delivery unless registered as to principal in the owner's name upon books of the Company to be kept for that purpose at the office of the Trustee under the Indenture, such registration being noted hereon. After such registration no transfer of this bond shall be valid unless made on said books by the registered owner hereof in person, or by attorney duly authorized therefor, and similarly noted hereon; but this bond may be discharged from registry by being in like manner transferred to bearer, whereupon transferability by delivery shall be restored and this bond may again and from time to time be registered or transferred to bearer as before. Such registration, however, shall not affect the negotiability of the annexed coupons, which shall always be transferable by delivery and be payable to bearer, and payment to the bearer thereof shall fully discharge the Company in respect of the interest therein mentioned, whether or not this bond be registered as to principal and whether or not ^{any} such coupons be overdue.

The Company and the Trustee may treat the bearer of this bond or, if registered as to principal, the registered owner, as the absolute owner hereof for the purpose of receiving payment hereof or on account hereof and for all other purposes.

With the consent of the Company and to the extent permitted by and as provided in the Indenture, property may be released from the lien thereof and the terms and provisions of the Indenture or of any instrument supplemental thereto may be modified or altered by the assent or authority of the holders of at least eighty per cent. (80%) in amount of the bonds then outstanding thereunder, provided, however, that no such modification or alteration shall be made which will (a) affect the terms of payment of the principal of or of interest on the bonds outstanding thereunder, or (b) authorize the creation of any lien prior or equal to the lien of the Indenture upon any of the mortgaged and pledged property, or (c) give to any bond or bonds secured thereby any preference over any other bond or bonds secured thereby, and provided further, that no modification of any right which shall have been specifically provided in respect of any particular series of bonds shall be effective unless assented to by the holders of at least eighty per cent. (80%) in amount of the bonds of such particular series.
