I, Don E. Meldrum, being first duly sworn, depose and say: That I am Head of the Land Surveys for the Bonneville, Project; that according to the map of the Portland and Seattle Railway, which map also shows the line of the Columbia Valley Railway, it appears that a point 100 feet north of Engineers' Station 2051/31.4 of the Columbia Valley Railway, Company's survey is the same point as a point 702 feet south of the northeast corner of said Lot 4 of Section 29, Township 3 North, Range 8 East of the Willamette Meridian, Skamania County, Washington. I also state that the Northwestern Electric Company's right of way for a transmission line is not within the area to be acquired for flowage purposes; That I make this affidavit for the purpose of removing objections numbered 6 and 7 of the opinion of the Attorney General of the United States, dated March 21, 1936.

Done E. Meldrum

Subscribed and sworn to before me this 26 day of May, 1936.
